HELPING YOU BECOME ACCREDITED

Accreditation Consultancy Service (ACS)

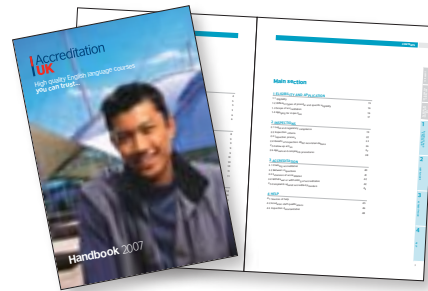

English UK offers a consultancy service for English language teaching providers seeking accreditation for the first time. The service is separate from the formal accreditation process and the key aim is to help Candidates understand the process of accreditation and how to achieve the best possible outcome. The ACS will help you to review your current position and outline areas which might need further attention in order to reach the quality standards set by the Accreditation UK Scheme.

ACS Candidates receive:

- A complimentary copy of the Accreditation UK handbook
- A pre-consultancy appraisal, usually by telephone, including a review of publicity materials and staff qualifications
- One full day's on-site consultancy visit by an experienced specialist followed up with a written report
- Continuing access to ongoing advice for the duration of the service as the organisation prepares for the inspection

In addition, Candidates are eligible for:

- Generous discounts on the full range of English UK training courses and training days
- The opportunity to attend English UK conferences at a discounted rate

How much does it cost?

- English UK ACS subscription fee for the first year £500+VAT
- If applicable, at the start of Year 2, a candidate registration renewal charge is levied £100+VAT
- An additional consultancy visit in the second year £500+VAT

If an ACS centre applies for membership of English UK within six months of gaining accreditation, the centre will be entitled to up to a £500 discount on the first Membership subscription charge of the Association.
