

## **International Student Insurance – individual insurance**

If you wish to provide a service where you sell travel insurance to your student's individually, Endsleigh can work in partnership with you and sell insurance direct. This gives you flexibility and control of insurance sales by incorporating travel insurance into your booking processes.

### **Benefits of individual insurance**

- ✓ Sell student insurance directly to your students
- ✓ Incorporating travel insurance sales into your booking processes
- ✓ Allow them to tailor cover to their requirements
- ✓ Generate revenue from the sale of insurance

### **How does the process work?**

Endsleigh's online travel partner system 'Connect' will enable you to provide this service. This is how the process operates:

- When a student applies to study at your institution you include insurance information within your application form, whether your application process is online, and offline or via an agent.
- The application is returned by the student or agent to the school and is processed via the 'Connect' system.
- You collect payment from your student or the agent.
- Endsleigh creates an invoice on a monthly basis and payment is made via BACS or direct debit.
