

# Invitation to the English UK fam trip to Wales

**Sunday 2 to Monday 10 September 2018**

*Study abroad agents from Japan are warmly invited to join this special trip to London and Wales. The trip begins with attendance at StudyWorld in London, then visits English language centres in Wales, with opportunities to explore local landmarks and areas of natural beauty.*

This is an exclusive opportunity for agents from Japan to discover new study options in one of the UK's lesser-known destinations. Wales is a safe, low-cost and famously friendly place to study English, with a rich history, hundreds of castles and many beautiful beaches and landscapes.

The trip is free of charge for the agents selected, including accommodation, transport and meals. There are fifteen places available, for one representative per agency.

You will visit a range of accredited English language providers in Wales, including independent language schools, a further education college and junior summer centres in Cardiff, Swansea, Carmarthenshire and Colwyn Bay.

Discover Wales through activities including a traditional banquet at Cardiff Castle, sightseeing at Cardiff Bay, the Gower Peninsular, Conwy Castle, and scenic drives through the coast and mountains.

Agents will also attend StudyWorld on 3 – 5 September, the major UK education event in London. 175 education institutions attend the event, from language centres and boarding schools to colleges and universities. You will gain the contacts and information you need to guide your students through all stages of the UK education journey.

To register your interest in attending, or for more information, please email Louise Gow, English UK's Agent Relations Manager on [louise.gow@englishuk.com](mailto:louise.gow@englishuk.com)

This trip is hosted by English UK Wales, supported by [Visit Wales](#) and is partially funded by the Welsh Government.
