

## **ELT Conference, 14-15 September 2012, Malta**

**Organised by the English as a Foreign Language Monitoring Board  
Ministry of Education and Employment, Malta**

Conference theme: **CURRENT TRENDS IN ELT**

We are pleased to announce that the first ELT Conference organised by the EFL Monitoring Board will be held on Friday 14th and Saturday 15th September 2012.

The aim is to provide a forum in which to explore current trends in ELT and to discuss a number of subsidiary issues.

**Sessions will address such matters as:**

- Key trends in ELT today
- Teaching via the new media
- Innovative language teaching methodology
- Creativity in the classroom
- Reflective practice
- Learner-centred teaching
- Mixed ability and differentiated teaching
- Enhancing teacher education
- Learner autonomy
- The ELT professional

A number of international speakers will be sharing their expertise during the conference.

Participants will have the opportunity to join workshops which will be facilitated by experts in the ELT field. These sessions will provide teachers with materials for classroom use, including online learning tools.
