## **Experience the excitement of the Olympics as you learn English in London in 2012!**

This summer, London will be welcoming the world as the host city of the 2012 Olympic and Paralympic Games. Study English in London during this time and you'll have the opportunity to experience lots of events organised to coincide with the Olympic Games.

This, however, isn't the only major event taking place in the capital in 2012, as London will also be the focus of celebrations to mark Queen Elizabeth's Diamond Jubilee.

Our members will be providing their usual high quality English lessons, plus a wonderful programme of trips and visits, many of which will be focused on the games and Jubilee celebrations.

There really has never been a more exciting time to study in the capital!

## Dive in and enjoy the action!

As part of London's commitment to ensure as many people as possible have a chance to be involved in the celebrations surrounding the Games, the Mayor of London has created **LONDON LIVE**, which will enable people to watch outdoor screenings of the 2012 sporting action and enjoy top flight entertainment for free. Students can visit London parks, which will have giant screens – including the UK's largest at 144m<sup>2</sup> – giving unparalleled coverage of every Olympic medal live throughout the day.

In addition to the sporting action, there will be a Cultural Olympiad, with a series of exhibitions, performances, concerts and workshops throughout the summer, to coincide with the games.
